Jury report

The Nordia 2025 Jury is pleased to present the report on our work.

The Jury wishes to thank the organizers – Sveriges Filatelistförbund and Sveriges Unga Samlare for arranging this splendid exhibition. We would also like to thank all the other sponsors who have made it possible to realize this exhibition and to thank dealers and all volunteers for their support during the exhibition.

The Jury would like to thank the Organizing Committee led by Ulf Nilsson for their superb co-operation, efficiency and hard work.

The exhibits at Nordia 2025 are at a very high level and it illustrates how philatelic exhibiting is very alive and is developing positively.

We are also impressed by the splendid exhibits in the Championship Class. Even though there are only three exhibits, it is nice that the exhibits are from three different countries.

The medal levels are shown in the following table.

Exhibit 198-202 unfortunately did not arrive at the exhibition on time and has therefore not been evaluated.

Thank you to all exhibitors at Nordia 2025!
