Jury Report

The Estonian Philatelic Federation has organized the Multinational Philatelic Exhibition **MARE BALTICUM 2024** in excellent facilities at the Estonian National Museum, on July 26th to July 28th 2024, in Tartu.

The exhibition is part of the official Tartu 2024 European Capital of Culture program, while the international philatelic bodies have granted it the FEPA Recognition and respectively the FIP Sponsorship.

The Jury of **MARE BALTICUM 2024**, consisting of 11 judges representing nine different nationalities, has completed judging and is pleased to present this report.

The Jury has judged a total of 153 exhibits, representing 11 different philatelic disciplines. We have found that the exhibits shown are interestingly versatile, and the quality of the exhibits very high.

The Jury has awarded 7 Large Gold medals and 25 Gold medals. One exhibit has been transferred to a different exhibition class to ensure it achieved better awards. Unfortunately, three exhibits did not arrive and hence could not be judged.

The Jury would like to congratulate the Organizing Committee for bringing **MARE BALTICUM** exhibitions to life again. The first **MARE BALTICUM** of the Baltic Sea countries was held in Tallinn, Estonia in 1993, the previous one in the Åland Islands, Finland, in 2005. After 19 years without any exhibitions of this status, the Jury wishes this exhibition here in Tartu to be a new start.

We particularly congratulate the Chairman of the Organizing Committee, Mr. *Oliver Hanschmidt* for his invaluable and resolute contribution for the great success of **MARE BALTICUM 2024**.

In all its decisions, the Jury has been unanimous.
